

## APPEAL FOR SUPPORT

We are pleased to confirm the selection of **Naren Solanke** as a delegate to the 2<sup>nd</sup> African Youth and Governance Conference to be held in Accra, Ghana from 10th to 12th August 2010.

The African Youth and Governance Conference (AYG-Conference) Initiative is one of the key youth conferences around the world planned to coincide with the International Youth Day – 12th August, 2010. This pioneering event will bring together 250 young people in governance, academia, corporate institutions, NGOs, international development organizations, students and youth groups from Africa and observers from other parts of the world to deliberate on the difference that young people can make when empowered to take their rightful place in Africa's development.

The AYG-Conference is designed to boost youth involvement in governance throughout Africa. This conference is pivoted on youth friendly conferencing that combines detailed presentation, problem solving and highly interactive sessions that will equip participants with new skills to contribute to Africa's development. Participants will also engage in discussions to explore ways in which they can work more effectively together to achieve shared goals and contribute directly to the development of their various countries.

In order to ensure that **Naren** does not miss out on this opportunity, we would appreciate your support in sponsoring his/her travel to/from Accra, to enable him/her attend the African Youth and Governance Conference, Accra 2010.
