Dear **Narayan Vitthal Solanke**,

The Summer University program of the Central European University (CEU) is pleased to offer you a place in the course entitled "**Policy Evaluation for Civil Servants and NGO Executives**". The course will take place from **July 18, 2016 to July 22, 2016** in Budapest.

You are responsible for all expenses (accommodation, travel, tuition, health insurance, visa fee, airport transfer, city transport, and incidentals). The deadline for the tuition fee payment (**450 EUR**) is **May 28, 2016**. (See the "Fee Payment" section of the course website for information on the payment procedure and the Early Bird option.)

It is mandatory for all participants to arrive in Budapest with a valid health insurance covering them during their stay in Hungary and they will be requested to provide CEU with the copy of their insurance policy.

As a condition for accepting this offer, (1) you need to complete all pre-course reading or other assignments in due time, in case the course sets any; and (2) you agree to be present and participate actively in every scheduled class session for the full length of the course.

No delayed arrivals or early departures are acceptable without the prior consent of the CEU SUN office. Full class participation is a pre-condition for receiving the Certificate of Attendance awarded upon successful completion of the course.

This invitation is not transferable and is applicable only for the summer of 2016.

We hope that you will be able to accept the invitation to the CEU Summer University.

Sincerely,

Eva Gedeon
