

CERTIFICATE

The United Nations Human Settlements Program UN-Habitat certifies the participation of Narayan Solanke, whose identification number is Z2415842, in the "Regional Workshop for the Integral Improvement of Neighborhoods" held in the city of Cuenca on 21 And October 22, 2016.

The Workshop took place in the framework of the HABITAT III Congress which was held in Quito-Ecuador in October 2016. The main objective of the Workshop was to explore the way in which comprehensive neighborhood improvement can provide concrete solutions to diverse territories within the context of Latin America and the Caribbean, under the criteria of sustainable development and New Urban Agenda of UN-HABITAT.

The main themes were:

1. Urban Renewal and Neighborhood Improvement
2. Processes of urban renewal as an instrument to improve the city
3. Construction of Sustainable Compact Areas in Consolidated Areas of the City
4. Participation as a component of Public Policies
5. The treatment of public space
6. Culture and territory

This certificate is issued on the 16th day of December 2016.
